

Museums of Mississauga Free Outreach Program

PORT CREDIT TIMELINE - 'WHO KNEW?'

Did you know Port Credit can lay claim to:

A STANLEY CUP WINNING GOAL SCORER?

A DARING TRAIN ROBBERY IN 1874?

THE FIRST CANADIAN TO SWIM THE ENGLISH CHANNEL?

A 'FIRE ALARM' DOG NAMED TAFFY?

The town of Port Credit is celebrating its 175th anniversary as a community this year. Here is your opportunity to have fun learning about the past!

Museums of Mississauga are offering a free outreach program available **starting June 1, 2010** to schools and community groups:

Using photos and newspapers from the past discover fascinating people, places and events that helped shape this lakefront community. Book this program and have our museum staff lead your class through this 1 – 1 ½ hour interactive activity or use on your own as a classroom kit with instructions and reference materials.
