

What teachers and group leaders have been saying about our programs...

- High level of interaction with the students. Excellent sharing of information.
- The Instructors/Guides are very engaging with (the) girls
- Great job! You make learning a lot of fun!
- Appreciated the fact that you confirmed all your facts!!
- ____, our tour guide was excellent - presented the information clearly and was very patient, but, she also gave them a lot of information at the student's level.
- Interaction for the kids keeps them engaged. Staff were great with the kids
- Interactive program, setting
- *always so accommodating of our special needs students
- We always look forward to this once/year. One of our favourite trips.
- ____, was an excellent presenter- perfect personality for this -makes the experience come alive for our students
- Thanks for treating us like everyone else (This was from a special needs class teacher)
- This was part of our academic program and it was great to have a hands-on experience as well.
- Flexibility tailored to Girl Guide program. Cool Cabin to sleep in. Personable staff. Good Food.
- Hands on and relevant to our curriculum in grade 3
- Excellent program-informative and interesting
- We had a wonderful day and staff were very knowledgeable and helpful
- Excellent Program!
- Tour was "cool" and at appropriate level.
- Great Job! Overall we really enjoyed it!
- Knowledge, experience, interaction with children.
- Kids enjoyed program. Staff were very approachable and pleasant with children and answered their questions.
