

Natural Heritage and Urban Forest Strategy

Map 2: Linkage System

Legend

- Natural Heritage System Linkage^①
 - Primary NHS Linkages
 - Secondary NHS Linkages
 - Contributing NHS Linkages
- Green System Linkages
 - Green System Linkages
 - Direct Green System Linkages
 - Arrows indicate linkage to areas outside Mississauga's NHS
- City of Mississauga Boundary

^① includes NHS and proposed expansion areas as shown on Map 1.

Note: "Direct Green System Linkages" identify areas where the Green System provides direct linkage between components of the NHS, and thus represent potential priorities to manage to maximize ecological connectivity.
