

NEXT STEPS

1. Develop Draft Strategy – Winter 2013
 - Draft Vision, Guiding Principles, Objectives
 - Potential sites for Natural Areas System support and/or expansion
 - Analysis of City policy and recommendations
 - Draft Urban Forest Management Plan
 - Tools and strategies for protection, enhancement and expansion
2. Draft Strategy Consultations - Spring 2013
3. Strategy Finalization – Fall 2013

WE WANT YOUR INPUT

1. Post words or themes you would like to be considered for inclusion in the Strategy vision on the demonstration tree
2. Complete a survey – available here in hardcopy or on-line at the project website
3. Check our project website for updates and come back for our Phase 2 consultations to provide input to the Draft Strategy
