

Welcome to Mississauga Data

This report and other related documents can be found at www.mississauga.ca/data.

Mississauga Data is the official City of Mississauga website that contains urban planning related reports, newsletters, brochures and data. The Information Planning Research Unit manages statistical data including: population, demographics, census, development monitoring/activity, growth forecasts, housing, employment, office, land use, vacant employment lands, and the environment.

Visit our Publications and Open Data Catalogue to find our complete inventory of our freely available information products.
