AUDITOR'S REPORT

To Crystal Greer, Clerk

I have audited the statement of Assets and Liabilities, the Statement of Campaign Period Income and Expenses, and the Statement of Determination of Surplus or Deficit and Disposition of Surplus of Patrick Mendes, candidate, for the campaign period from May 1, 2006 to January 2, 2007 relating to the election held on November 13, 2006. These financial statements are the responsibility of Patrick Mendes, candidate. My responsibility is to express an opinion on these financial statements based on my audit.

Except as explained in the following paragraph, I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Patrick Mendes, candidate, as well as evaluating the overall financial statement presentation.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, my verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Patrick Mendes, candidate, in accordance with the accounting procedures established by the **Municipal Elections Act, 1996** and I was not able to determine whether any adjustments might be necessary to income and expenses, assets or liabilities, and surplus/deficit.

In my opinion, except for the effect of adjustments, if any, which I might have determined to be necessary had I been able to satisfy myself as to the completeness of the records as described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the candidate's election campaign as at January 2, 2007 and the income and expenses for the campaign period from May 1, 2006 to January 2, 2007 and the determination of surplus or deficit and the disposition of surplus in accordance with the accounting treatment prescribed by the **Municipal Election Act, 1996**. **The Municipal Elections Act, 1996** does not require me to report, nor was it practicable for me to determine, that contributions reported include only those which may be properly retained in accordance with the provisions of the **Municipal Elections Act, 1996**.
